## Parents' Day Out

Children from ages 0-6 years are welcome to spend a morning in our youth zone where we will have games, crafts, and pure fun. Parents will need to bring a bagged lunch for each child. Snacks will be provided. The cost is \$10 per child. Money will go to MCOB Youth ministries

# NOTES FROM CATE

Hello, Myerstown Church of the Brethren! As the youth historian, it is my job to take pictures of the activities we do and to write about them in the newsletter. But let me tell you about myself first.

My name is Cate Liskey. I am fourteen, and just started high school in the fall. I play basketball for ELCO high school and I am able to start playing softball for the school as well in the spring. I went on a mission trip to Belize almost three years ago, and I will be going to National Youth Conference in July, which I am overly excited for it. I enjoy having this youth group because it allows me to have people to talk to outside of school, and it gives me something to look forward to on the weekends. I also love the activities we do as a group. Some things we have done are: gone to see David Bodia, an American gold medalist diver, give his testimony in an event called “Merge”, pumpkin carving, helping out with the trunk or treat, decorated the church for Christmas, a gift exchange, and a lock-in.

I am looking forward to writing more in the newsletter, and hope you all enjoy my piece! Jeremiah 29:11 states, “For I know the plans I have for you,” declares the Lord. “plans to prosper you, and not to harm you, plans to give you hope and a future.” I am excited for what the future brings for this youth group along with the church as well. I hope this helps the youth group and the congregation come closer as a whole.

Sincerely,

Cate Liskey

# DECODING YOUTH LINGO

*Salty: to be angry, sassy, or sarcastic (or all three at the same time)*

He was salty when he found out he had to work Saturday night.

*It's lit: an event or object that is exciting that you are looking forward to*

Oh yeah! Tonight it's lit. There's gonna be a party at Joe's house.
