National Youth Conference

July 21 to 26 in Fort Collins, CO

NYC is a nation wide Church of the Brethren youth conference where youth make new connections and learn more about God. The theme for this year is "Bound together; Clothed in Christ" with the scripture Colossians 3:12-15. There will be guest speakers, service projects, small groups, workshops, hiking in the Rocky Mountains, and more. Those attending this year are: Weston Fouch, Cate Liskey, Seth Diamond, and Crystal Liskey.

Special points of interest:

If you wish to be a Volunteer with our youth please let one of the youth leaders know. Volunteers not only give spiritual support to the youth but will also help with snacks and if able to help with events and fundraisers.

NOTES FROM CATE

Since the last newsletter, our youth group has done many activities together. We have had a Super Bowl Party at the Dubble's, youth group with mentors, gone to a Crowder concert, and an escape room, just to name a few. Our president and vice president (Weston and Abby) went to Roundtable Virginia for a youth district event. Rachel, Paige and I also went to a service project in the Sinking Springs area to help women in third-world countries. Afterwards, we participated in an Amazing Race game, which we are happily going to test in our own youth group sometime this summer. Finally, our group hosted a taco bar on Sunday April 22, as a thank you for all the support we have gotten these past few months. We are all excited for upcoming events and can't wait to share them with the congregation. Thanks for all your continued support!

Get To Know The Youth

In this newsletter we will learn about Paige Thomas. Paige is the treasurer in our youth group. She is thirteen years old and plays basketball, soccer, and runs cross country. Paige plays all these sports for ELCO and plays soccer for Lebco as well. Paige likes youth group because she feels like it is a second family to her. She can share her thoughts and ideas, and her love for God. The group really clicks together and she loves spending time with us. Youth group gives her a family outside of school.
