Scriptural Message

For God so loved the world, that he gave his only Son, that whoever believes in him should not perish but have eternal life.
John 3:16

So now faith, hope, and love abide, these three; but the greatest of these is love.
1 Corinthians 13:13

Love is patient and kind; love does not envy or boast; it is not arrogant or rude. It does not insist on its own way; it is not irritable or resentful; it does not rejoice at wrongdoing but rejoices with the truth. Love bears all things, believes all things, hopes all things, endures all things. Love never ends. As for prophecies, they will pass away; as for tongues, they will cease; as for knowledge, it will pass away.

February 2025

Ministry through
Faith, Vision, and Action

Greetings from Pastor Chris

With the winter being in full force with the snow, wind and cold weather, we have had some of the coldest weather since 2018. Sometimes we just don't want to leave the warmth and comforts of our home. We just get into a rut of the same old thing day after day. As of February 1st, there are 150 days till summer. We have something to look forward to, the warm air of summer. But because of Jesus we had something else to look forward to he's coming back. As Christians we have something to look forward to in a world that seems hopeless ... we can have the joy and peace of knowing that God is in control of everything that is happening and he loves us all! February is the month of love, with Valentine's Day coming on February 14th we are thinking of what is love and how can we show love in this broken world. One verse that comes to mind is **1 Corinthians 13:4-7 NIV** "love is patient, love is kind. It does not envy, it does not boast, it is not proud. It does not dishonor others, it is not self-seeking, it is not easily angered, it keeps no record of wrongs. Love does not delight in evil but rejoices with the truth. It always protects, always trusts, always hopes, always perseveres. Love never fails." Our love in human nature is not enough, but Jesus' love is. We need to be showing love in today's world. It will not always be easy but through Jesus Christ all things are possible. We have a hope in Jesus and knowing that he is coming back, we sometimes get discouraged with how this world is going, but he gave us all a job. Jesus told us in **Matthew 22:37-39** **love the Lord your God with all your heart and with all your soul and with all your mind. This is the first and greatest commandment. And the second one is like it love your neighbor as yourself.** As we go out in this month, I encourage you to continue reading your Bible and getting to know the heart of God and asking him for His love to shine through all of us.

For the month of February, **1 John 4:19** "**We love because he first loved us**" will be the verse that we as a congregation will be memorizing together. My prayer for each one of us is that we serve God with all of our heart and let his light shine.

EDF grants respond to Israel-Hamas war

Brethren Disaster Ministries has directed grants from the Emergency Disaster Fund (EDF) to organizations responding to the war between Israel and Hamas. A strategy has been developed to work with four partners: International Orthodox Christian Charities, Bethlehem Bible College Shepherd Society, Wi'am: The Palestinian Conflict Transformation Center, and the Lebanese Society for Education and Social Development.

- **\$25,000** supports projects of Bethlehem Bible College Shepherd Society including emergency food, water, fuel, and supplies for families and elderly residents in Gaza and the West Bank; construction, supply, and staffing of a medical clinic at St. Porphyrios Orthodox Church in Gaza; tutoring and support to some 100 young students living in and around church shelters in Gaza City; winterization supplies for 1,000 to 2,000 people in Gaza; and trauma counseling training.

- **\$25,000** supports programing developed by Wi'am to address needs of children impacted by the war: creating safe spaces to allow children to air their stress; distribution of Christmas gifts and food packages; professional counseling and emotional support; trauma-informed care; educational programs; and community engagement.

- **\$35,000** supports the Lebanese Society for Education and Social Development aiding families displaced by the war in southern Lebanon. Identified priorities include food assistance and non-food items such as blankets, mattresses, pillows, diapers, feminine hygiene products, personal care items, and emergency lights.

Additional EDF grants:

- **\$45,500** continues the Brethren Disaster Ministries response to the July 2022 flooding in Kentucky. The current phase of the response, in partnership with HOMES Inc., is working in Letcher County.

- **\$26,000** assists the Goma congregation of l'Eglise des Frères au Congo (Church of the Brethren in the Democratic Republic of Congo) to give school kits to 800 vulnerable children.

- **\$20,000** helps build and equip a Women's Empowerment Center in the city of Ngovi on the property of a Congolese Church of the Brethren.

- **\$10,000** is given for l'Eglise des Freres au Congo to implement an mpxox prevention program.

- **\$5,000** supports construction of a new home for a retired pastor in Iglesia de los Hermanos (the Church of the Brethren in the Dominican Republic) whose home was badly dam-

aged in multiple storms.

- **\$3,000** partially funds a solar power system for Global 8235/RecycloCraftz in Zambia, a faith-based fair-trade organization providing vocational training, literacy programs, and learning centers.

Global Food Initiative grants:

- **\$15,000** helps purchase farmland in Uganda to be used by the country's emerging Church of the Brethren to meet critical food needs for vulnerable children and other ministry goals.

- **\$15,000** aids the Wings of Blessing and Hope Farm Poultry Project of ASIGLEH (the Church of the Brethren in Venezuela), an income and livelihood generation project.

- **\$6,470** helps a well project provide drinking water for the Ngovi congregation of l'Eglise des Frères au Congo and the surrounding community.

- **\$5,000** goes to the Soybean Value Chain project of Ekklesiyar Yan'uwa a Nigeria (EYN) and the agricultural program that is part of EYN's Integrated Community Based Development Program.

- **\$825** supports a farming project of the emerging Tanzania Church of the Brethren, assisting church members to improve their farming skills.

Brethren Disaster Ministries director visits area hit by Helene

The director of Brethren Disaster Ministries, Jenn Dorsch-Messler, traveled through Virginia and North Carolina last October to visit with district and congregational leaders in areas affected by Hurricane Helene. The bulk of the deaths and catastrophic damage from the storm occurred in areas that are part of Southeastern District.

The trip included two visits to Taylors Valley, Va., to meet with Southeastern District leaders and members of Walnut Grove Church of the Brethren. The church had several rooms full of supplies to distribute to those in need, many donated by Virlina District and Shenandoah District, and delivered there by Virlina members a few weeks earlier. The church parking lot was hosting shower trailers and other trailers from FEMA, the Red Cross, and other responding organizations.

Two Walnut Grove members and long-time Taylors Valley residents, Carl and Linda McMurray, were also recipients of relief supplies and help. Their house, the home in which Linda McMurray was born, had washed away in the flooding. Debris had backed up on a nearby bridge, causing the raging water to be diverted directly toward it. A tour of the area showed where the McMurray

house used to be, with only the front steps remaining, and where parts of the structure had been deposited by the flood waters in a nearby field.

The McMurrays were in the house when it was being washed away. Carl McMurray was thrown from the house during the night and was rescued by a helicopter after clinging to a tree for three hours. Linda McMurray spent 16 hours trapped by trees, debris, and water in the middle room of the house. She survived with help from her faith, spending the time repeating scripture and singing hymns.

During the tour, the group met the man who found Linda the next morning. When she introduced him as the person who saved her, his response was, "I may have rescued you, but I was not the one that saved you." Despite their traumatic experience, the McMurrays were busy helping others affected by the flooding.

Dorsch-Messler also visited Southeastern District's Camp Carmel. Led by director Erica Leeds, the camp was busy supporting the community with relief supplies and other services. The kitchen and dining area were filled with a range of items, from blankets to mold remediation spray to baby supplies, that they were working to get out to those in

need. The camp had hosted a community meal for around 175 people the week before, the first hot meal since the hurricane for some of those who attended.

A final stop in North Carolina was a visit with the Children's Disaster Services team that was serving at a Family Assistance Center in Asheville, N.C. Dorsch-Messler also met with Virlina District staff and leaders who had been coordinating collections of in-kind and financial donations.
