April 2025

Ministry through
Faith, Vision, and Action

Greetings from Pastor Chris

April showers bring May flowers. The saying can be traced back to England, from the 1500's poet Thomas Tusser. "Sweet April showers do spring May Flowers." The poet wrote this, because typically in April the weather tends to be rainier. We are all aware that we need rain for the plants to grow, but we do not enjoy it. Here recently it has been cold with a few days of nice weather just to tease us. With the help of the rain, it brings new life. Springtime is a wonderful time of the year. hearing the birds chirp, and seeing the flowers blooming. April 20th we as Christians will celebrate the resurrection of Jesus Christ. During the Easter season we think about the death and resurrection of Jesus, and that gives us the hope of new life. Our verse this month is **Psalm 130:5 "I wait for the Lord, my whole being waits, and in his word, I put my hope."** Hebrews 11:1 **"Now faith is confidence in what we hope for and insurance about what we do not see."** As Disciples of Jesus Christ, we can have confidence, and faith in His Word. Yes, as Christians we will go through rainy seasons of life. Just as Jesus said in **John 16:33 "I have told you these things, so that in me you may have peace. In this world you will have trouble. But take heart! I have overcome the world."** Jesus Christ through his death on the cross and his resurrection has overcome this world. As Christians we can have hope in a hopeless world. Do you believe?

Mission and Ministry Board concerned for immigrants

Among a series of recent actions, the Mission and Ministry Board expressed concern for those of migrant, immigrant, or refugee status who may be affected by presidential executive orders. The board cited Matthew 25:35, "I was a stranger and you welcomed me," among other scripture texts.

"These renewed threats of deportation are already affecting the lives of many in our denomination's congregations," said the board's statement, in part. "Our concern is for all people—undocumented and documented—who are under threat. Our congregations and districts are urged to extend support to people in their communities who are living in fear for their own safety and that of family members and loved ones, as well as fear of possible losses that may include homes, jobs, livelihoods, and more."

The board designated Jan. 16 as a day of prayer and fasting for immigrants, at the request of Atlantic Southeast District, inviting all Church of the Brethren congregations, projects, fellowships, and the denominational staff to participate.

2025 budget

On Dec. 5, 2024, the board approved a 2025 budget for denominational ministries in a special Zoom meeting led by chair Colin Scott assisted by chair-elect Kathy Mack. The board approved a 2025 budget proposal brought by general secretary David Steele and treasurer Ed

Woolf and recommended by the Executive Committee.

A Core Ministries budget of \$5,291,000 of income and \$5,311,720 of expense represented budget reductions across various departments amounting to \$395,280 in total. Other measures to offset expenses included a \$125,000 transfer from designated funds and an additional \$33,000 transfer from the Brethren Service Center quasi-endowment intended to help staff provide language interpretation and translation, among others.

The grand total 2025 budget for all denominational ministries—Core Ministries and the four self-funded units of Brethren Disaster Ministries, the Conference Office (Annual Conference), the Global Food Initiative, and Material Resources—is \$8,019,400 of income and \$8,163,470 of expense, representing a total net expense of \$144,070.

Steele told the board that the 2025 budget is a framework and more is to be done in 2026. Adoption of the 2025 budget in early December followed closed sessions during the board's October meeting. Find a link to the 2025 budget at www.brethren.org/mmb/meeting-info.

Fall meeting

In its regularly scheduled meeting in October 2024, the board approved a new Global Mission Development Fund and a revision of the Health Education and Research Fund; named new board leadership; named Ben Barlow and Thomas

Josiah Ludwick, a pastor at Harrisburg (Pa.) First Church of the Brethren, was named chair-elect as of July 2025, when current chair-elect Kathy Mack will begin as chair.

Daniel Butler of Ivester Church of the Brethren in Northern Plains District, who is filling an unexpired term on the board, was named an at-large member pending affirmation by Annual Conference.

Denomination supports Hillcrest investigation

The Church of the Brethren is supporting an independent investigation and assessment of allegations of multiple forms of abuse that may have occurred

at Hillcrest School in Jos, Nigeria. The investigation is being carried out by the Zero Abuse Project. Contact Zero Abuse at Hillcrest@zeroabuseproject.org.

Hillcrest was founded by

the Church of the Brethren in 1942 but for many decades has been an ecumenical endeavor. The Church of the Brethren is one of the churches and mission agencies cooperating with the

investigation and is contributing some \$63,000 toward the total cost sharing for both the investigation and victim advocacy services carried out separately by an organization called Accord.

Brethren Disaster Ministries, 2 districts respond to fires

Give now to support California wildfire response through Brethren Disaster Ministries," said an appeal. "Children's Disaster Services is already responding to the needs of children and families. Working with the Pacific Southwest District and partner organizations, Brethren Disaster Ministries is planning to address short- and long-term needs of vulnerable people impacted by the fires." (See www.brethren.org/giveEDF-Wildfires.)

Pacific Southwest District, which includes the Los Angeles area, and Virgina District, on the East Coast, both announced special collections to aid people affected by the fires.

The Pacific Southwest District board created an emergency fund to support Brethren who have been affected and gave an initial \$2,500 of districts funds.

At least three Church of the Brethren families lost their homes in the Eaton Fire, and several others had to evacuate or suffered other losses, including loss of employment.

The district asked for prayer for the Conexiön Pasadena congregation and pastors Juan Pablo Plaza and Adriana Rios and their children. Their church parsonage was destroyed, but the Pasadena church building and the second parsonage were not damaged.

Two volunteer teams from Children's Disaster Services (CDS) began work in the L.A. area in mid-January, caring for children and families, at the request of the Red Cross. At least two teams of

seven volunteers each served in shelters and other sites, with one team continuing its work through early February.

In another recent CDS response, the Critical Response Childcare team served in New Orleans, La., following the truck attack of Jan. 1 that killed 14 people and injured 35 others in a crowd on Bourbon Street. The Critical Response Childcare program offers specially trained volunteers following mass casualty events.
